this book is my true recollection of the events leading up to the mystical experience that i had in february of 1993 immediately after my spiritual pilgrimage to the holy shrines on mount carmel israel the world centre of the bahai faith my experience was so intense that it took me over a year to recover a sense of normality and be able to return to my work as a contact design draughtsman to support my family i had been a bahai for ten years prior to this but i did not know the reality of faith that i had been investigating at all i was just aware of the icing on the cake a religion that seemed to tick all the right boxes and had the ingredients to appeal to a wide percentage of mankind until i visited the tombs of the prophets on mount carmel and absorbed a lions share of that holy spirit latent within that sacred place which soon led to a full mystical union with god as the spirit of baha u llah here on earth i believe that i was chosen for that experience because the spirit knew that i would one day reveal the full details of his power to the world and publish the experience for all to read as a book and on the world wide web so here you all are read and be inspired and may god bless you all michael
